

Dear Families,

We are pleased to announce that our new meal payment website, MealpayPlus is now live. We have chosen MealpayPlus to provide the opportunity for you to make payments online into your student's meal account either via credit/debit card or by using your checking/savings account. You may also view your student's purchase history through this website.

To Use MealpayPlus:

Visit the school's website and locate the link to the meal program page. Click on the MealpayPlus logo which will take you directly to the MealpayPlus website.

Or go directly to: www.mealpayplus.com

Click on the "Register a FREE account" link.

Step 1: Add your student(s). You will be asked to select your state (**Delaware**) and district (**Family Foundations Academy**) from the drop down menus. You will then be asked to input your student's ID number. The student ID number can be obtained from a report card and/or interim report. If you cannot locate your student's ID number, then please contact the school's main office for assistance. Please repeat the above step if you have more than one student attending FFA.

Step 2: Create Your Profile. You will be asked to enter information such as your name, address, telephone number, and email address.

Step 3: Create Your Sign In. You will be asked to create a username and password that will be used to access the system 24 hours a day, seven days a week.

Step 4: Confirm Your Profile. Please use this page to confirm that the profile information you have entered is correct.

Step 5: Complete. Your online payment set up is now complete. After completing the registration process, you may log into the system using the username and password that you just created. Now you may enter the payment information that you plan to use to manage your student's account.

Note:

Online Deposits are applied immediately to your student's account, but may take up to 48 hours to clear your bank and to reflect in the online account balance. Please be sure to provide a valid email address so that you will be able to receive notifications via email of low account balances.

Please contact Ms. Marshae Pulliam at 302-324-8901 ext. 262 or mpulliam@ffa.k12.de.us
